Apply for Office Staff

Dear Sir/Madam

I am writing the letter to describe myself that want to work here. Now I do not have any experience, because I just fresh graduated from high school.

Now I am studying at University at Puthisastra (UP) faculty of ICT, major Programming and Database, year I semester 1. My responsibilities are improve your organization. About my English is just fairly good including writing, listening, reading, and speaking. However, I like learning something new from other people to improve my knowledge and my experiences in the future. I feel that my skills would be enough and match with your requirement with my position.

I am interested in this position so much. I feel that I will be working smoothly with your organization operation or role and better than past with my skills and I will try hard to improve your organization with my best.

I would like to speak with you further how my skills are, and can help you to increase operation in your business. I will be contacting your office next time, but if you have any question or requirement in the future please contact me at 086 369 002 or e-mail at thearitsek5@gmail.com. I look forward to hearing from you soon. Thanks for your reviewing my letter and enclosure resume.

Yours sincerely

SEK Thearit
